Dear Dr. Ahmed

Welcome to Cambridge

I am delighted to welcome you to Cambridge International Examinations as one of our Cambridge Associate Schools. You are now part of a learning community of over 9,000 Cambridge schools in more than 160 countries.

We are the world's largest provider of international education programmes and qualifications for 5–19 year olds. We design programmes and qualifications that are flexible and easy to introduce and help learners become confident, responsible, innovative and engaged.

As you know, a Cambridge Associate School works with us through another organisation known as a Cambridge Associate. Your Cambridge Associate SD001, British Council, Sudan will provide customer support for your school, answer any questions you might have and give you access to all the support and information you need to teach and administer our exams. Your point of contact will always be your Cambridge Associate so please remember to contact them in the first instance.

Your Associate School number is **SD015**. Please quote this number in all communications with your Cambridge Associate.

SD015 - Cambridge International Schools has been approved to offer:

- Cambridge Primary with Cambridge Primary Checkpoint
- Cambridge ICT Starters

- Cambridge IGCSE
- Cambridge ICE
- Cambridge AS/A Level
- Cambridge AICE

- Cambridge O Level
